

Because girls have the right to develop their potential, women should be empowered and child marriages in Zimbabwe should stop,  
**I pledge to:**

2. **Support girls in my community to fulfill their full potential and to make their own choices in life**
3. **Engage in my community in positive discussions about the empowerment of women**
4. **Inspire decision makers, business and community leaders to support a positive attitude to the development of girls**
5. **Be a role model in my community for girls to realize their dreams and ambitions in life**
